

Clinton Area YMCA "Acres for Kids"

Did you know that the Clinton YMCA provides over 50 programs for persons of all ages that promote a healthy spirit, mind, and body. Did you know that the YMCA conducts a "Strong Kids Campaign" every year to raise money to help needy kids, families and individuals utilize YMCA programs and facilities. The Clinton YMCA "Acres for Kids" campaign is looking for agriculture cooperators like yourself to help. Here is how you can help:

The Clinton area YMCA Acres for Kids wants to partner with you in 2020. Local Seed dealers have teamed up to offer you free seed to plant in your field in exchange for the donation of the gross fall harvested income off of the acres planted at the fall grain market level. There is a maximum amount of seed per company. A check must be made out to The Clinton YMCA and delivered by December 1, 2020. The Clinton YMCA is a 501c3 Non for profit organization.

Seed Partners include: Stone Seed, Pioneer, LG, Becks, Dekalb

The maximum amount of donated seed shall not exceed 10 bags/units of beans and/or 2 bags/units of corn per agreement. The donation must be 75% or more of the harvested grain allowing the holder of this agreement the ability to keep the remaining grain to help with inputs.

Example:

1 bag of beans yields $\sim 65\text{bu} \times 75\% = 49\text{bu} \times \text{market price}(\$9) = \$441$ donation

1 bag of corn yields $\sim 475\text{bu} \times 75\% = 356\text{bu} \times \text{market price}(\$3.50) = \$1246$ donation
